

**TAMPA BAY ACS LOCAL SECTION**

## **2008 MEETING-IN-MINIATURE**

### **CALL FOR PAPERS**

The 4<sup>th</sup> Annual MEETING-IN-MINIATURE will be held Friday March 28<sup>th</sup>, 2008 on the campus of the University of South Florida – St. Petersburg. Abstracts, in all areas of Chemistry, are solicited primarily from undergraduate, graduate, and postdoctoral students. However, abstracts from others involved in research, academic, industrial, or governmental, are also welcome. There will be fifteen-minute oral presentations of original research in simultaneous sessions beginning at 10:00 am. For the best presentations by undergraduate and graduate students, there will be cash prizes. The abstracts must be on the standard ACS abstract form, available electronically from:

<http://www.cas.usf.edu/acs/> or [jwalsh03@tampabay.rr.com](mailto:jwalsh03@tampabay.rr.com)

Completed abstract forms are to be submitted electronically, not later than 5:00 pm. on Friday, February 29<sup>th</sup> 2008 to:

[pinellas.acs@gmail.com](mailto:pinellas.acs@gmail.com)

If you are having problems with the form email your abstract and information directly.

This meeting is a good opportunity to sharpen oral presentation skills and to warm up for the National ACS meeting 6-10 April, the Florida Academy of Science meeting May 16<sup>th</sup> or as a warm up for your thesis defense. In addition, it will provide insight into the types of research being done throughout the Local Section.
