

Tampa Bay ACS Local Section, 2007 Program, Part II

Thursday, 4 October 2007. Joint meeting with Society of Sigma Xi at Eckerd College (Note 1). Dr. Yorke E. Rhodes (retired), Department of Chemistry, New York University, New York, NY “Organic Chemistry in Outer Space”, Galbraith Auditorium, Eckerd College, St. Petersburg, 6:30 pm.

Friday, 5 October 2007. Joint meeting with the natural sciences seminar series at New College (Note 2).

Dr. Yorke E. Rhodes (retired), Department of Chemistry, New York University, New York, NY “What’s New In Astrochemistry?” Chae Auditorium, New College, Sarasota, 3:30 pm

Friday, 12 October 2007. Joint meeting with the Environmental Science, Policy, and Geography Division seminar series at USF-St. Petersburg (Note 3). Dr. Samuel M. Savin, Provost and Vice President for Academic Affairs, New College, Sarasota. “Reconstructing the History of the Earth’s Climate Using Oxygen Isotopes”, Davis Hall, Room 104, University of South Florida-St. Petersburg, 3:00 pm.

Thursday, 1 November 2007. Joint meeting with SEEK (Scientists and Engineers Expanding Knowledge) (Note 4)

William Byle, Environmental Specialist for Charlotte County and Tour Leader of Phosphate Mining Areas.

“Phosphate Mining and the Environment in Charlotte County”, G-WIZ, 1001 Boulevard of the Arts, Sarasota, Noon.

Thursday, 15 November 2007. Joint meeting with the seminar program at the University of Tampa (Note 5)

Dr. Sandra J. Rosenthal, Department of Chemistry, Vanderbilt University, Nashville, TN “Structure Property Relationships in Semiconductor Nanocrystals: From Biological Imaging To Solid State Lighting”, Plant Hall, Room 220, University of Tampa, 4:00 pm.

Thursday, 6 December 2007. Joint meeting with the chemistry seminar program at University of South Florida-Tampa, (Note 6)

Dr. Karl Scheidt, Department of Chemistry, Northwestern University, Evanston, IL “New Discoveries With Carbene Chemistry”, CHE 100, USF-Tampa, 4:00 pm.

Notes:

1. For information about the Sigma Xi seminar program at Eckerd College, contact Dr. Nancy Smith, smithnf@eckerd.edu
2. For information about the natural sciences seminar series at New College, contact Dr. Suzanne Sherman, sherman@ncf.edu
3. For information about the seminars for the Environmental Science, Policy, and Geography Division at USF-St. Petersburg, contact Dr. Henry Alegria, halegria@stpt.usf.edu
4. To receive e-mail notices about SEEK programs, contact Dr. Larry Altman, ljaltman@comcast.net
5. For information about the chemistry seminar series at the University of Tampa, contact Dr. Eric Ballard, EBALLARD@UT.EDU
6. For a list of the seminars in Chemistry at USF-Tampa, go to <http://chemistry.usf.edu/> And click on “Seminar Schedule”.

Requests:

1. If you have an active e-mail account and are willing to receive these programs electronically, please send your contact information to: jwalsh03@tampabay.rr.com
2. If you would like to join the Program Committee, or otherwise become active in the activities of the Local Section, please contact Jim Walsh as above.
