III. Dean’s and Associate Dean’s announcements- Dr. Cochran informed the Council that the Career Path for Instructors was voted on by the Senate and passed.

The college’s long term projection if the legislator continues with differences in tuition (for 5 years, the college will not need the revenue.)

IV. Career Path for Instructors: Since this was passed by the Senate, Dr. Cochran noted that promotion for Instructors may not take place this semester, but retro-pay and time credit would be given. Last issue discussed between the Union and the University was salary increases for Instructors-flat $3500 to Level II and $5000 to Level III. Dr. Cochran also stated that Departments were to help draft a College version for the Career Path for Instructors.
