USF Pre-Health Student Organizations

**Alpha Epsilon Delta**
- **Organization Description:** Alpha Epsilon Delta is a tight-knit group dedicated to scholarship, camaraderie, community service, and philanthropy. As a prehealth professional honors society, we promote a greater appreciation for the prehealth educational experience. We bring in health professional speakers, offer many volunteer and fundraising opportunities, and much more.
- **Contact Information:** Email: usf.aed@gmail.com; President Name: Haley Parsley

**Biology Club**
- **Organization Description:** The purpose of the Biology Club is to provide information and resources to undergraduate students with an interest in the field of biology with opportunities to further explore and pursue their curiosity and to encourage a positive interest and literacy of biology to the community.
- **Contact Information:** Email: samantham@mail.usf.edu; President Name: Samantha Murphy

**Cell Molecular and Microbiology (CMMB) Club**
- **Organization Description:** The CMMB Club is for connecting undergraduates and graduate students interested in cell and molecular biology, microbiology, and health sciences. It will offer opportunities for networking, community service, and serve as a way for students to meet others with similar interests.
- **Contact Information:** Email: skazim1@mail.usf.edu; President Name: Samra Kazim

**Engineering Pre-Med Society**
- **Organization Description:** We are the Engineering Pre-Med Society. A small group of the most highly ambitious individuals of USF, who look for the rigor and depth which engineering offers and who look to apply these principles into their medical future. Leadership positions are available!
- **Contact Information:** Email: Robertoi@mail.usf.edu; President Name: Roberto Infante

**Global Medical Brigades**
- **Organization Description:** A service and fundraising club that culminates in a medical missions trip to a country in need; where you shadow doctors, pharmacists, and dentists, run a medical clinic, interact with the local people, and perform a public health project.
- **Contact Information:** Email: hurleyp@mail.usf.edu; President Name: Phillip Hurley

**HOSA: Future Health Professionals**
- **Organization Description:** HOSA: Future Health Professionals aims to develop skills through motivation, recognition, and awareness to increase the delivery of compassionate, quality health care to the community. We offer community service opportunities, competitive events, leadership skill development, networking and more!
- **Contact Information:** Email: kospino@mail.usf.edu; President Name: Kathryn Ospino

**MEDLIFE at USF**
- **Organization Description:** MEDLIFE is an organization designed to promote global health and raise awareness for healthcare in underdeveloped countries such as Lima, Peru. We are initiating a chapter of MEDLIFE at USF in efforts to expand the meaning behind this cause.
- **Contact Information:** Email: medlife.usf@gmail.com; President Name: Shirley A. Vázquez

**Minority Pre-Professional Science Society**
- **Organization Description:** The Minority Pre-Professional Science Society is an organization dedicated to increasing the levels of minority student recruitment, admissions and retention in health programs and implement its strategies through committing to listen and respond to the needs of our members.
- **Contact Information:** Email: usfmpss@gmail.com; President Name: Raaven Goffe

**Operation Smile at University of South Florida**
- **Organization Description:** Operation Smile is a national organization that works to raise awareness for children with cleft lip and cleft palate. The USF chapter of this organization aims to raise awareness on campus and in the local community. Funds are raised through independent fundraisers and fundraisers with local business.
- **Contact Information:** Email: OSatUSF@gmail.com; President Name: Jennifer Cuartas
Pre-Anesthesiologist Assistant Club
- **Organization Description:** We are a club striving to equip students with the knowledge, necessary tools and experience to successfully achieve greatness in the AA profession. Our panel is devoted to informing and educating students at USF about the benefits and advantages of this career in today's ever growing health field.
- **Contact Information:** Email: preaacleub@gmail.com; President Name: Kira Guyotte

Pre-Dental Society
- **Organization Description:** The purpose is to help Pre-Dental students gain exposure to and knowledge about dentistry and assist through the application process.
- **Contact Information:** Email: elianalozano@mail.usf.edu; President Name: Kyle Novotny

Pre-Medical American Medical Student Association
- **Organization Description:** Pre-Med AMSA is a student organization that strives to ensure our members receive the adequate resources to build a competitive medical school application.
- **Contact Information:** Email: usfpamsa1@yahoo.com; President Name: Kevin Petersen

Remote Area Medical, The USF Health Science Center Chapter
- **Organization Description:** Remote Area Medical is a volunteer organization devoted to ending suffering by providing free healthcare to underprivileged communities and individuals across the country. This healthcare includes basic dental, vision, and medical treatment through the use of mobile lab units, all free of charge.
- **Contact Information:** Email: ramusfchapter@gmail.com President Name: Thomas Michael Tchir Jr.

The Pre-Physician Assistant Society
- **Organization Description:** The Pre-Physician Assistant Society at the University of South Florida, Tampa, was created in 2007 in order to represent the many undergraduate students interested in pursuing a career as a Physician Assistant as well as educate students about the growing PA profession and encourage students interested in the field.
- **Contact Information:** Email: veronicanina@mail.usf.edu President Name: Veronica Coraci

Undergraduate American Medical Women's Association
- **Organization Description:** The American Medical Women's Association is an organization which functions at the local, national, and international level to advance women in medicine and improve women's health. We achieve this by providing and developing leadership, advocacy, education, expertise, mentoring, and strategic alliances for all of our members.
- **Contact Information:** Email: sbeland@mail.usf.edu President Name: Samantha Beland

USF Chemistry Society
- **Organization Description:** The USF Chemistry Society is an organization that is focuses on three tiers: Networking, Volunteering, and Bonding. We have biweekly meetings in MSC 3705, our own tutoring lab open weekdays, and many fun volunteering activities throughout the year. Go to our website and follow us on Facebook for information on upcoming events!
- **Contact Information:** Email: dallasd@mail.usf.edu; President Name: Dallas Dennison

USF Pre-Pharmacy Club
- **Organization Description:** The Pre-Pharmacy Club is an organization for undergraduate students who are interested in any/all aspects of pharmaceutical sciences. This club is designed to facilitate and encourage the exchange of information between students and schools, while having fun and being involved in and around the university.
- **Contact Information:** Email: rachelf@mail.usf.edu; President Name: Rachel Fanti

USF Pre-Veterinary Society
- **Organization Description:** The USF Pre-Veterinary Society helps pre-vet students make their way into vet school by offering them more opportunities for experience. This is done through lectures from local veterinarians and animal organizations, learning about the veterinary school admission process, and being part of a group of students who hold the same interests.
- **Contact Information:** Email: prevetatusf@gmail.com; President Name: Luis Leon
