USF Celebrates

the 20 Year Anniversary of the Fall of the Berlin Wall

Gala Celebration

Oct. 21, 6pm USF Marshall Center

On November 9, 1989 the wall separating East and West Berlin came down, signaling the end of the Cold War as well as the beginning of a new era in European history. Thousands of Berliners seized the opportunity to become part of this historic moment and hammered, chiseled and broke down the physical barrier between the two sides.

In order to commemorate this anniversary USF is hosting a "Freedom without Walls" gala celebration. German author Holger Teschke will be featured as the guest speaker. There will also be a short award ceremony for the "Public Expression" prize winners.

Complimentary food and refreshments will be served. Contact Claudine Boniec for more information: cboniec@mail.usf.edu. Open to the public.

All "Freedom without Walls" events are generously supported by the German Embassy in Washington DC, the USF College of Arts and Sciences, the USF Dept. of World Languages, the USF Humanities Center, and the USF German Culture Club.
